

NASCO®
Reaching Heights, Since 1965

Best of everything
in refrigeration &
air conditioning

NASER AL SAYER & CO LLC

Customers

Our highest priority

Company Profile

Established in Dubai since 1965, NASCO has added value to the nation's growth and has emerged as the leading distributors of Refrigeration and Air Conditioning Equipment, Office Furniture and Industrial Power Tools, in the UAE with branches in Deira, Karama, Al Quoz, Abu Dhabi, Al Ain and Sharjah.

We have been successfully associated with many World Renowned Brands like Bitzer Compressors and Condensing Units, Tecumseh Compressors and Condensing Units, Guntner Heat Exchangers, Chemours Refrigerants, HIOKI Measuring Instruments, Makita Power Tools, etc. by catering widely to the construction industry, OEMs, End Users, Contractors, dealers and distributors all over the Emirates, GCC Countries and the MENA Region.

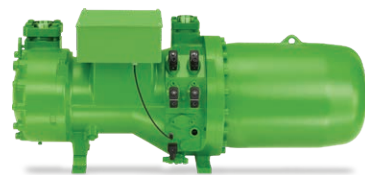

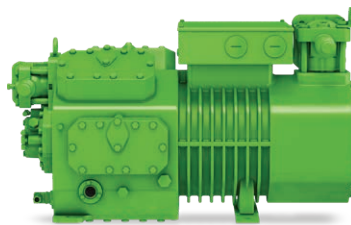

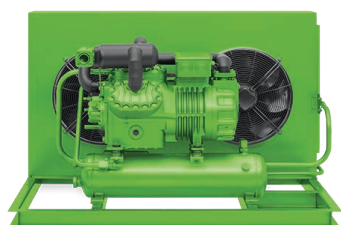

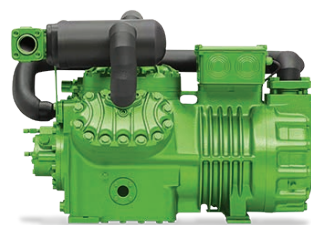

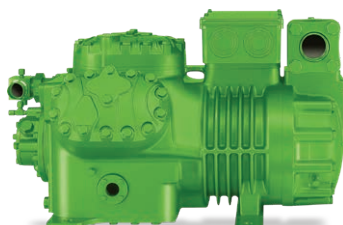

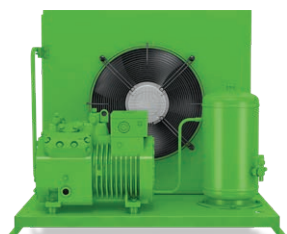

We are proud to have reached an eminent position in the U.A.E. market by dealing with superior quality products & maintaining excellent services and support to our customers. We maintain an inventory of more than 25,000 Line items; related to Refrigeration & A/C, accessories thereby adding to our strength in being capable of supplying to the ever changing demands of our customers.

BITZER (Germany) For more than 85 years, the Bitzer name has represented the highest quality, efficiency and reliability. Bitzer is the only company to produce all three primary types of compressors: reciprocating, screw and scroll. Bitzer is driving the refrigeration and air-conditioning industry around the world.

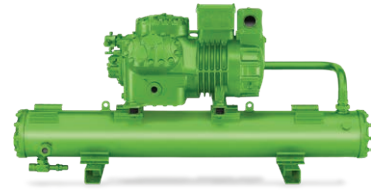

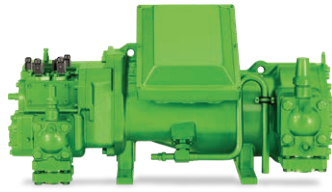

SEMI-HERMETIC COMPRESSOR
OPEN TYPE COMPRESSORS
PRESSURE VESSELS
SINGLE/ TWO STAGE COMPRESSORS

SCROLL COMPRESSORS
SCREW COMPRESSORS
AIR COOLED AND WATER COOLED CONDENSING UNITS
PRESSURE VESSELS-FRESH/SEA WATER COOLED CONDENSORS

 **Green Point®**
A SERVICE BY BITZER GROUP

Green Point net focuses its activities to satisfy your requests as a customer and, at the same time, the close cooperation and interconnection with BITZER ensures the top of the quality for all the operation carried out in each workshop.

LIQUID RECEIVERS
OIL SEPERATORS
BITZER ORIGINAL OILS
BITZER ORIGINAL SPARE PARTS

MULTIPAC
SINGLE SCREW UNITS / HYPER PAC
MULTIPLE COMPRESSOR RACKS WITH SEMI-HERMETIC
RECIPROCATING AND SCREW COMPRESSOR

Green Point shops are always in close communication with BITZER staff to share information, the experience and being updated on any kind of technical innovation BITZER introduce on the market through their products.

Tecumseh

Tecumseh (France) developed the first "hermetic" compressor for consumer refrigerators in 1937. Tecumseh's expertise and extensive product offering in reciprocating, rotary and scroll compressor and condensing unit technologies to serve your commercial refrigeration application needs regardless of whether you are designing a walk-in cold room, refrigerated display case, reach-in cooler, milk dispenser, ice machine or commercial freezer.

HERMETIC COMPRESSORS (Refrigeration & Air Conditioning Applications)
AIR COOLED CONDENSING UNITS (Hermetic compressors for domestic & commercial refrigeration)
ROTARY COMPRESSORS (Air Conditioning Application)

GUNTNER (Germany) Founded in 1931 in Munich as a refrigeration equipment manufacturer, Güntner is now known as global experts in commercial cooling and industrial refrigeration. Güntner now manufacture their cooling systems in plants across Europe, Asia and the Americas and operate all over the world.

UNIT COOLERS FOR COMMERCIAL & INDUSTRIAL APPLICATIONS
UNIT COOLERS FOR BLAST FREEZER APPLICATIONS
UNIT COOLERS FOR AMMONIA & GLYCOL APPLICATIONS

PLATE HEAT EXCHANGERS
AIR COOLED CONDENSERS

CHEMOURS (USA) is an American chemical company that was founded in July 2015 as a spin-off from DuPont. Freon™ refrigerants by The Chemours Company provides a reliable supply of high-quality refrigerants to use in air conditioning and refrigeration systems.

Ebm-Papst (Germany) Group is the world's leading manufacturer of fans and motors. As a technology company, we have continually set global industry standards since we were founded in 1963.

AXIAL FAN MOTORS

HIDRIA (Slovenia) boasts a tradition of more than 50 years of producing solutions in industrial technologies.

AXIAL FAN MOTORS

Elco (Italy) is a world leader in the 4 pole sub fractional shaded pole motor business and among the largest European PSC and ECM fan motor manufacturers.

CONDENSER COOLING FANS

FAN MOTORS – SINGLE SHAFT & DOUBLE SHAFT

HIOKI (Japan) Partnering with NASCO for over 40 years, HIOKI's electrical measuring instruments have played an essential role in the UAE market for R&D, manufacturing, maintenance, and service.

FIELD MEASURING INSTRUMENTS: Multimeters, Clamp Meters, Insulation Testers, Earth Resistance Testers, Phase Detectors.

ENVIRONMENTAL MEASURING INSTRUMENTS: IR Thermometers, Temp/Humidity Loggers, Lux Meters.

Battery Testers, Resistance Meters, LCR Meters, Impedance Analyzers, Signal Generators, Hi-pot Testers.

POWER MEASURING INSTRUMENTS: Power Loggers, Power Quality Analyzers, Power Meters, Power Analyzers.

RECORDERS/DATA LOGGERS: Data Acquisition Oscilloscopes, Memory Recorders, Compact Data Loggers, Temperature Data Loggers.
